

Zuie sigûr - play it safe

Un amî ti mande un messaç e-mail cun in zonte une fotografie di un scheletri uman grandonon cun trê braçs. Ce pensistu?

1. La fotografie e je vere. E je une fotografie e duncje e à di jessi vere.
2. La fotografie e je vere. E je la fotografie dal Homo Neanderthalensis.
3. La fotografie e je false. Lis fotografiis a podin jessi modificadis al computer.

A friend sends you a mail with a picture of a big skeleton with three arms. What do you think?

1. It is a real photo.
2. It is a real photo: it is the Neanderthal Homo Man.
3. It's a fake photo. Photos may be modified by computers.
